

D dianella Foliage & Form

DIANELLA

silver ribbon

This shrub has attractive variegated foliage and produces attractive bluish flowers. Ideal for mass plantings and borders. Used extensively in commercial landscape. Also ideal accent plant on combo patio plantings.

Mature plant height: 40cm high, 40cm wide.

Leaf Zone: variegated
Light Exposure: full sun

Available in Jiffy 105 cell tray.

This foliage plant is covered with very small, rounded, silver leaves on silver stems. Vigorous Silver Falls has a true cascading habit, making it an excellent choice for mixed containers or as a single hanging basket item. Also performs as a low-growing ground cover, but requires well-drained soils due to the ground-hugging habit. Very heat and drought-tolerant; recovers quickly if wilted.

Leaf Zone: soft silver
Heat Tolerance: good
Vigour: medium
Habit: spreading, trailing
Light Exposure: shade or sun

Garden Height: 5-7cm
Garden Width: 100cm
