

**T**echno™ Blue has excellent heat tolerance and has numerous deep blue flowers throughout the summer. This lobelia has been engineered for early flowering and has great branching in a semi-trailing, mounded habit. Grower friendly, the tightly mounded and trailing habit produces full baskets that are easy to handle and ship. Techno™ is also ideal for planters, window boxes, and flower beds.

Flower Type: single

Flower Time: early

Leaf Zone: light green

Heat Tolerance: hot 25-30°C

Vigour: medium

Habit: trailing

Light Exposure: partial shade - full sun
